

Dear Parents,

March 26, 2018

I hope you are enjoying this fabulous spring weather. As you probably know, spring brings the state standardized testing season, as well. I am writing to let you know that your child's testing accommodations are all in place and to give you an idea of what the schedule will be like for the next few weeks.

First, if your child has the text-to-speech or speech-to-text accommodations, they will be testing one-on-one in either my room (Mrs. Brown) or in Miss Sandy's speech room. Second, we have also taken care not to schedule testing on Mondays or schedule more than two testing sessions a week. For this reason, your child will still be testing after his classmates are finished because they are testing Monday, Tuesday, and Wednesday, for two to three weeks depending on the grade level.

Please look at the times I have scheduled for your child and let me know if there are any scheduling conflicts (appointments, trips, etc.). Also, please help prepare them by making sure they get a good night's sleep and a filling breakfast on the mornings they test. Snacks will be provided before they start testing.

As always, please feel free to contact me with any questions or concerns at my email, Katie.Brown@d51schools.org, or by phone 254-6850 ext. 67107.

Sincerely,

T*** will be testing:

Katie Brown
